# PRESIDENT'S ADDRESS 2011

Welcome to the Annual General Meeting 2011. The Twenty-second Council has completed its term of office of two years. The report of the work done is presented in the pages of this Annual Report. This being the election year, a new Council is to be elected.

## WORK OF THE TWENTY-SECOND COUNCIL (2009 – 2011)

### Membership

The membership of the College as of 31 March 2011 stood at 1407 compared to 1368 two years ago. There has been an addition of 23 Fellows and Honorary Fellows and 4 Collegiate members to the College membership list. In the two years, the number of MMed(FM) holders has increased from 297 in 2009 to 321 as of March 2011, an addition of 24 holders. The number of GDFM holders has increased from 434 in 2009 to 492 as of March 2011, an addition of 58 holders.

### Assets

As of 31 March 2011, the College's cash and cash equivalents stand at \$3,965,183 as compared to \$3,262,732 a year ago.

### Courses conducted

In the two years under review, the College conducted 12 skills courses, and 8 modules of the modular courses. Thanks are due to the many resource persons, speakers, chairpersons, tutors, and trainers in the various educational activities. The College would not be able to do without these people.

### College publications

A total of 11 issues of the Singapore Family Physician have been produced during the two years under review. Since 2009, the Singapore Family Physician is in the Western Pacific Region Index Medicus (WPRIM). A total of 8 issues of the College Mirror, and 3 issues of the College Digest were produced during the two years under review. Thanks are due to the many contributors to the College publications.

### Research related activities

In 2010, the College hosted the 2nd Asia Pacific Primary Care Research Conference with 116 paid participants. The Fellowship by Assessment Classes hosted two workshops on research skills, and each candidate produced 3 clinical reviews, and a research project each as part of the course work.

## RELATIONSHIPS

The College enjoyed good relationship and collegiality with the Ministry of Health, Ministry of Community Development, Youth and Sports, Health Promotion Board, Singapore Medical Council, Singapore Medical Association and the Academy of Medicine. It also enjoyed good fraternity with colleagues in the restructured hospitals, the Polyclinic clusters and GP clinics. The synergy was particularly strong between the College and these stakeholders during the H1N1 outbreak which occurred in April to August of 2009.

## THE COLLEGE COUNCIL AND SECRETARIAT

Much of the achievement of the two years was made possible by a synergistic College Council and hardworking College Secretariat. The membership has also been supportive of the efforts of the College in vocational training and continuing professional development. Let me take this opportunity to thank the Executive Committee, members of the retiring Council, and members of the College Secretariat for the contributions they have made to the College in the last two years.

## ELECTIONS

This Annual General Meeting will also be electing its next College Council for 2011 – 2013.

## NOTE OF APPRECIATION

To one and all, thank you for the support and encouragement throughout the last two years of my term as President. It has been a pleasure serving the College Council and College membership.

## A/Prof Goh Lee Gan

## Albert and Mary Lim Award

*A/Prof Cheong Pak Yean*

*Dr Cheng Heng Lee*

The Albert and Mary Lim Award first presented in 1974 in memory of the late Dr Albert Lim Liat Juay and his wife Mary Lim was re-instituted in 1999.

This award is the highest accolade bestowed by the College for contribution and services rendered to the College and the discipline of family medicine.

The recipients of this award for 2010 were A/Prof Cheong Pak Yean and Dr Cheng Heng Lee.

## CONTINUING PROFESSIONAL DEVELOPMENT / MEDICAL EDUCATION PROGRAMMES AND COURSES

The College promotes Continuing Professional Development (CPD) and Continuing Medical Education (CME) through the Family Medicine Modular Course, Family Practice Skills Course, MMed (Family Medicine) Programme B, Family Medicine Membership and Fellowship Programme.

The Institute of Family Medicine (IFM), an organ within the College, plays a significant role in developing the contents and syllabi of these programmes and courses.

During the year the IFM reviewed, updated and edited the notes as well as their e-learning components for Modules 8, 1, 2 and 3 of the Family Medicine Modular Course to make them more relevant and user-friendly to the course participants

The Family Medicine Modular Course consists of 8 modules of knowledge acquisition and is a requirement for doctors who are preparing for the Graduate Diploma in Family Medicine (GDFM) Programme and the Master of Medicine (Family Medicine) Programme A. Each year, four modules are covered.

The notes for the modules are on the College's e-learning website and can be downloaded by the Family Medicine trainees. By having them online, the trainees can refer to these notes twenty-four hours a day

For the year April 2010 - March 2011, there were 102 trainees registered in the GDFM course, 8 trainees in the MMed (FM) Programme B.

### Family Practice Skills Course (FPSC)

During this financial year, the College conducted seven Family Practice Skills Courses.

Table 1. Participation at Continuing Medical Education Activities (April 2010 - March 2011)

The components of a skills course may include one or more of the following:

1. Distance Learning with verification (6 CME points)
2. Seminars (max. of 2 CME points per seminar)
3. Workshops (max. of 1 CME point)
4. Small group activities including clinical attachments, tutorials, ward-rounds
5. Assessments which can be written, oral, demonstration and/or clinical (for some courses)

A typical FPSC template is a course with six units of distance learning with verification of 30 MCQs, two seminars and one workshop conducted over two afternoon sessions e.g., one Saturday afternoon and Sunday afternoon or two Saturday afternoons.

## E-Learning

The E-Learning programme launched in 2003 has been incorporated into the GDFM training programme. An E-Learning component for each module was introduced, consisting of therapeutic notes, case scenarios, assessment by MCQs and a case review to be put up by a tutorial group.

## Accreditation of core CME points

The College is represented by A/Prof Lee Kheng Hock and Dr Pang Sze Kang Jonathan in the Singapore Medical Council (SMC). Maintenance of Competency Committee and Dr Tan Tze Lee and Dr Leong Choon Kit in the SMC CME Co-ordinating Committee. The College works closely with the Singapore Medical Council to ensure that the quality of the CME events is acceptable. It continues to advise the SMC on the accreditation of core family medicine CME events through its panel of Family Medicine(FM) CME advisors appointed by the College.

## COLLEGE MIRROR

In the year under review, the College Mirror continued in its mission of putting together timely news to update the family doctor fraternity, under the leadership of Dr Eu Tieng Juoh Wilson and Dr Wong Tien Hua and their editorial teams.

The College Digest as an e-newsletter is into its second year of production. It continues to serve the objectives of covering the time space between the quarterly College Mirror issues. More importantly, it has a practice management focus in mind -- practice news around the College, practice notes, practice information and a call from the editorial team. College thanks the work of the three editors in this publication: Dr Eu Tieng Juoh Wilson, Dr Leong Choon Kit and Dr Wong Tien Hua.

## SIGNIFICANT COLLEGE EVENTS

### Commencement of Academic Year 2010

The Commencement Ceremony was held on 26 June 2010 at College of Medicine Building.

There were 102 trainees in the GDFM course, 19 trainees in the MMed (FM) Programme A, and 8 trainees in the MMed (FM) Programme B.

### Convocation 2010

The Family Medicine Convocation Ceremony was held on 28 November 2010 and the Guest-of-Honour was Prof K Satku. The special invited guests to the Convocation were Professor Claire Jackson (President, RACGP), Dr Jennifer Kendrick (Censor-in-Chief, RACGP) and Professor Jan Radford (Immediate Past Censor-in-Chief, RACGP) to witness the adoption of the Memorandum on reciprocal recognition of the FRACGP and FCFP(S) between The Royal Australian College of General Practitioners and the College of Family Physicians, Singapore.

13 doctors were conferred the FCFP(S), 8 doctors were conferred the MCFP(S).

58 GDFM graduates and 24 MMed (FM) graduates were recognised.

### Annual General Meeting 2010

The College AGM was held on 26 June 2010. The minutes have been circulated.

### CFPS Holdings Pte Ltd

The CFPS Holdings Pte Ltd was formed as a company to purchase, hold and manage the property or properties for the College and this was incorporated on 23 March 2009.

The Board of Directors:

Executive Chairman : Dr Tan Chin Lock Arthur (wef 3 Sep 2010)  
Executive Directors : A/Prof Lim Lean Huat  
: Dr Tan See Leng

Non-Executive Directors : A/Prof Goh Lee Gan  
: Dr Pang Sze Kang Jonathan (wef 27 Jun 2009)  
: Dr Lim Fong Seng

The background is that the College Building Committee was formed in July 2008 to advise the Council on acquiring a property or properties for investment or for use by the College. Dr Tan See Leng was the chairman of the committee. The members were Dr Tan Chin Lock Arthur and A/Prof Lee Kheng Hock. The advisors were Dr Lee Suan Yew and A/Prof Goh Lee Gan.

A property at 7 Cantonment Road Singapore 089734 was subsequently purchased in 2009. This completed the terms of reference of the Building Committee and CFPS Holdings Pte Ltd was set up on 23 March 2009 to manage this property. A Board of Directors was appointed under the terms of reference of CFPS Holdings Pte Ltd.

## COUNCIL INITIATIVES

During its term of office from 2009 to 2011, the Council had the following tasks in mind: strengthening the recognition and equitable worth of the family doctors; implementing the accredited modular course programme for senior family doctors; and making 'right-siting' (Shared Care) work for family doctors.

On a larger platform, it has also promoted the level of recognition of scholarly activity by having the Singapore Family Physician joining WPRIM; as well as promoting primary care research. Council has also worked on the reciprocal recognition of the FRACGP and the FCFPS.

Council has also promoted the standard of practice through the initiatives of the practice management committee and the family practice skills courses.

## COMMUNITY SERVICE ACTIVITIES

## ACKNOWLEDGEMENTS

The 22nd Council deeply appreciates and is grateful for the collaboration, support and sponsorship extended towards the College by:

- Boehringer Ingelheim
- Glaxo Smith Kline Pte Ltd
- Health Promotion Board
- Health Sciences Authority
- Ministry of Community Development, Youth and Sports
- Ministry of Health
- Ministry of Manpower

The Council also acknowledges with deepest appreciation the invaluable advice and assistance rendered by:

- Our panel of Honorary Legal Advisors: Mr Edwin Tong and Mr Lek Siang Pheng
- Our Honorary Auditor: V. P. Kumaran

All that the College had achieved in the past year could not have happened without the many willing hands and selfless hearts of our tutors, examiners, editorial board members of our various publications, committee members and specialist colleagues.

Of course, we must not forget our great and able staff at the College Secretariat that has helped us in all our work.

## INTRODUCTION

2010 has been a fruitful year for the Censors Board as we spearheaded the interactions with The Royal Australian College of General Practitioners (RACGP) over the Reciprocity issue. The Censor-in-Chief of the 2 colleges exchanged notes on the respective College's training programs as well as flew over to observe and view the conduct of examinations and the training facilities of the individual colleges.

The exchanges culminated in the signing of the reciprocity on 6 October 2010 in Cairns at the RACGP convocation ceremony.

This feat would not have been possible but for the high standards and rigor of the educational programs that College has upheld over the years. This was made possible by the foresight and tenacity of our leaders (both past and present); the hours of yeoman service by the supervisor and trainers; as well as the commitment and hard work of the trainees.

The College Censors Board will strive to improve the training and recognition of our fellow colleagues in the field of family medicine with the ultimate goal of achieving better care for our patients.

## MEMBERSHIP

Membership of our College now stands at 1,407 members as of 31 March 2011 compared to 1,421 members in the previous year. The distribution by grade of membership for the last three years are also shown below:

## COMMENCEMENT OF THE ACADEMIC YEAR

The Commencement of the academic year for 2011 will take place at the Shaw Foundation Alumni House, National University of Singapore (NUS), on 25 June 2011.

## GRADUATE DIPLOMA OF FAMILY MEDICINE (GDFM)

The Graduate Diploma in Family Medicine (GDFM) is a vocational training certification for primary care doctors. The aim of this 2-year part-time trainee programme is to train primary care doctors to practise Family Medicine at an enhanced level to meet the needs of the child, the adolescent, the adult and the elderly. The course emphasises on basic clinical, diagnostic and management skills essential to general practice.

The programme is planned to accommodate the busy doctor's schedule as almost all courses that require in-person attendance are conducted outside regular office hours. The course consists of the following:

- 8 modules of Family Medicine Modular Course (FMMC) with each comprising of 4 workshops (2 1/2 hours each), 1 tutorial (1 hour each), online case studies and multiple choice assessments
- 3 Practice Management Courses (16 hours in all) and 1 elective Family Practice Skills Course (6 hours)

The examination is conducted by Division of Graduate Medical Studies (DGMS), National University of Singapore (NUS). The standard set is a pass in all three segments:

- Written paper I - Applied Knowledge Test: 100 MCQ questions (2 hours)
- Written Paper II - Key Features Problems (KFP): 10 questions (1 hour)
- Skills Assessment in the Objective Structured Clinical Examination (OSCE) - 10 stations of 11 minutes each, comprising 3 minutes for reading and 8 minutes for assessment (2 hours)

The GDFM(NUS) is a title or qualification approved by the Singapore Medical Council for display by Registered Medical Practitioners.

The 9th GDFM Examination was held on 25 June 2010 for the written papers and 3 - 4 July 2010 for the OSCE. A total of 58 of the 80 candidates passed, giving a passing rate of 72.5% for the GDFM Examination 2010. The Censors Board, which was the Examination Board, vetted and finalised all the questions.

The following candidates passed the GDFM Examination 2010:

## **MASTER OF MEDICINE (FAMILY MEDICINE) [MMed(FM)]**

There are currently two programmes to prepare doctors for the MMed(FM) examinations.

### **Programme A**

Programme A is for applicants who are fully or conditionally registered with Singapore Medical Council (SMC) and are awarded sponsorship by the health clusters after choosing Family Medicine as the speciality.

The New syllabus from May 2007 features more posting for trainees to gain wider exposure to various specialties to help the family physician.

Note: With effect from 2011, Programme A is organised into a 3-year Residency Program. The first intake nationally is 26 [10 in Singhealth, 10 in National Healthcare Group (NHG) and 6 in National University Health System (NUHS)].

**Programme B** is a structured training programme designed for mature practicing family physicians in Singapore. Programme B is jointly organised by the College of Family Physicians Singapore and the DGMS, NUS. This 1-year part-time course provides a comprehensive and structured training programme for doctors working in primary care who have completed the 8 modules of the Family Medicine Modular Course (FMMC) to prepare them to sit for the MMed(FM) examinations.

The course participants from both the Programmes sit for the same examination – namely, the MMed(FM) examination conducted by the DGMS, NUS.

This examination consists of:

- Written papers – Paper 1 consisting of 4 questions: evolving scenario question, two SAQ, and a health talk question; Paper 2 consisting of 120 MCQs; Paper 3 consisting of slide interpretation paper of 30 slides
- Oral examination – 1 practice profile, 5 case commentaries and 1 audit project; Oral interview
- Clinical examination

The 20th Master of Medicine (Family Medicine) Examination was held on 8-9 November 2010 (Written), and 10 November 2010 (Oral) and 13-14 November 2010 (Clinical). Of the 28 candidates who sat for the examination, 24 were successful. They were:

## Family Practice Skills Course (FPSC)

The Family Practice Skills Courses serve the continuing professional development needs of the General Practitioner / Family Physician. We are able to run at least one course a quarter. See Table 2.

The components of a skills course may include one or more of the following:

1. Distance Learning with verification (6 CME points)
2. Seminars (max. of 2 CME points per seminar)
3. Workshops (max. of 1 CME point)
4. Small group activities including clinical attachments, tutorials, ward-rounds
5. Assessments which can be written, oral, demonstration and/or clinical (for some courses)

A typical FPSC template is a course with six units of distance learning with verification of 30 MCQs, two seminars, and one workshop conducted over two afternoon sessions e.g., one Saturday afternoon and Sunday afternoon or two Saturday afternoons.

During the year the College conducted seven Family Practice Skills Courses.

Table 2. Participation in the Family Practice Skills Courses April 2010 to March 2011

Event Title	No. of Doctors Passed / Attended

## E-Learning

The E-Learning programme is a growing medium of CME activity delivery. Launched in 2003, it has been incorporated into the GDFM training programme. An E-Learning component for each module was introduced, consisting of therapeutic notes, case scenarios, assessment by MCQs and a case review to be put up by a tutorial group.

# REPORT OF THE ADMINISTRATION COMMITTEE

1 APRIL 2010 - 31 MARCH 2011

Chairman : Dr Pang Sze Kang Jonathan  
Members : A/Prof Goh Lee Gan  
: A/Prof Lee Kheng Hock  
: A/Prof Tan Boon Yeow  
: Dr Lim Fong Seng

The secretariat headcount remains stable although we had to replace 2 staff. One of our former staff left to join SMU while the other decided to start a family. We wish them all the best. We welcomed a new Administrative Executive (Programmes & Training) and an Administrative Assistant.

They have since integrated well and form part of our very hardworking and diligent secretariat workforce. The rest of the staff has been able to help the College co-ordinate the functions and duties in the delivery of the various training programmes and Family Practice Skills Courses.

We endeavour to provide a high quality service to all our members and strive to assist all our members in their work and requirements for CME training or other post-graduate training requirements.

The College continues to work closely with the various statutory boards and Ministries in the various programs. We wish to thank everyone who has persevered and continue to help us in our daily work. We wish each and everyone who are our members and those who have or will come into contact with us the best of health always!

# REPORT OF THE PRACTICE MANAGEMENT COMMITTEE

1 APRIL 2010 - 31 MARCH 2011

Chair-person : Dr Leong Choon Kit  
Members : Dr Alvin Ang Choon Kiat  
: Dr Lee-Oh Chong Leng  
: Dr Peter Loke  
: Dr Raymond Nyam  
: Dr Victor Teo  
: Dr Eu Tieng Juoh Wilson

One of the biggest challenges faced by the committee is the need to bring fellow members together, to hear them out, to support them and to implement any of the suggestions. We are pleased to report that we were able to start a few small steps.

## **Town Hall Meetings**

Our committee has decided to revive the town hall meetings held in the College previously. So far, we have conducted 3 of them. The number of members attending was small but encouraging. There were some issues raised by the attendees and the younger ones who attended have been ministered and appropriately advised. We hope to continue these meetings in the future but in a more relaxed environment.

## **Lunch Meetings**

These lunch gatherings were organised for the purpose of helping fellow GPs working in the same vicinity to know each other. The atmosphere was cordial and relaxed. And these situations were conducive for building bridges between GPs and breaking the ice between them.

## **Email Discussion Groups**

Presently, we have set up 5 active email discussion groups of different maturity. Each group comprises 8 members of which 3 will play the role of moderators. This avenue allowed for more personal sharing and discussion of more sensitive topics.

## **One on One Visit**

We have visited two colleagues at their newly established clinics as well as meeting up with a few younger colleagues who are keen to start their own practice. We find this avenue the most useful as we are close to the ground and listen to their concerns first-hand. We hope that we can do more of these visits.

## **Other Collaborations**

With the purpose of supporting better practice management among ourselves, we have started the College Digest with our College Mirror editors. We tried to bring up issues or ideas in short snippets for the busy FPs/GPs.

In September last year, together with the College Secretariat, we tried to bring some tangible benefits to our members by helping to secure the newly launched iPads. The response was much better than expected and we were overwhelmed with orders.

## **Future**

We would like to continue serving our members and help bring out the best of our members. We look forward to more opportunities to work together for our common good with all of you.

## **The Singapore Family Physician (SFP) Journal**

The editorial team was put to very hard work this year. A total of seven issues were processed and published during this period. Kudos goes to the Editorial Team and for the tireless efforts of the reviewers and Secretariat.

The SFP Journals listed below were published in the past one year:

1. **Vaccinations 2010: What's Old, What's New** –Vol 36 No 2, Apr-Jun 2010
2. **Cardiovascular Disease, Risk Factors and Consequences** –Vol 36 No 3, Jul-Sep 2010
3. **Primary Care Mental Health** –Vol 36 No 4, Oct-Dec 2010
4. **Management of Family Violence** –Vol 37 No 1, Jan-Mar 2011
5. **Oral Health in Primary Care** –Vol 37 No 1 (Supplement), Jan-Mar 2011
6. **On-line Notifications and E-Services Platforms** –Vol 37 No 2, Apr-Jun 2011
7. **Management of Functional Decline in Older Adults** –Vol 37 No 2 (Supplement), Apr-Jun 2011

With the implementation of the online Editorial Manager in February 2010, the efficiency of the management of submitted articles has been greatly enhanced.

Since February 2010, the total number of articles submitted to the Editorial Manager was 54. 31 articles were accepted, there were 13 incomplete submissions, 6 were withdrawn, 3 were sent back for revision and 1 remains under review. The time taken to process each article will still need to be improved and we will be aiming to streamline this in the coming year.

The number of original articles accepted for publication under ORIGINAL PAPER section in SFP was 9. The quality of articles has improved perceptibly with each submission. It is the hope of the Editorial Board that more of our colleagues will contribute to writing and submitting original articles to the SFP.

## SFP Review Board

Very often, much of the work of a peer-reviewed medical journal is unseen, and the review process is one such process. Our reviewers are a dedicated group of individuals who contribute their time and expertise to review our articles. Many of them are leaders in their field and we are indeed privileged to have them on board. We would therefore like to extend a sincere word of thanks to all the members of our SFP Review Board. Our first year of online peer-review was successful largely as a result of the excellent and timely reviews by our reviewers.

The SFP's role in providing CME is of great importance to our members and readers and this it continues to fulfill very well indeed. The Journal is also a platform for our colleagues to publish articles and this role is slowly but surely becoming more important. As more original articles are submitted, we would also like to encourage submissions of case reports, letters to the editor and book to our journal.

Though writing may appear a daunting task, it is actually not that difficult to make observations, put pen to paper and then submit through the Editorial Manager. If any fledgling authors out there have concerns about writing and submitting an article, please feel free to approach any of our Editorial Board who will be most happy to lend an ear and give advice.

## **College Mirror and Digest**

During the term of the present Council, the College Digest was launched in July 2010. The aims of this electronic newsletter were to:

- Establish an on-line communication path between College and its members
- Maintain a current email database
- Add value to being a College member
- Provide timely and useful electronic tools and references

The College Digest is published four times a year, in the month immediately following the College Mirror, i.e. January, April, July and October. It is emailed to College members only. About 1400 are on the email database.

The College Mirror continues to be the main College bulletin. It reaches an audience of 5400 including members, other doctors in the community and in hospitals and polyclinics.

Sadly, we bid adieu to our long serving staff Ms Linda Marelle who took care of the editorial and publishing needs of the SFP and the College for the past 5 years. She had overseen the College's publications, was instrumental in getting them to print and for this, we offer our heartfelt thanks. We welcome Ms Stella Teh who has taken over Ms Linda Marelle's portfolio. She will henceforth answer all your editorial and publication queries.

Lastly, a word of thanks to A/Prof Goh Lee Gan, Dr Pang Sze Kang Jonathan, Dr Wong Tien Hua, Dr Shiau Ee Leng, Dr Eu Tieng Juoh Wilson, members of the Editorial Board and College Secretariat for their untiring efforts in producing each issue on time. I would also like to thank the authors who contributed their excellent articles for our family physicians. The SFP Journal and College Mirror have become all the richer for your efforts.

# REPORT OF THE INTERNATIONAL COMMITTEE

1 APRIL 2010 - 31 MARCH 2011

Chairman : A/Prof Goh Lee Gan  
Members : A/Prof Lee Kheng Hock  
: Dr Tan See Leng

## TERMS OF REFERENCE

This Committee was set up in July 2001 with the following terms of reference:

1. To advise the College Council on developments in Family Medicine in the international scene;
2. To implement activities decided by Wonca World & Wonca Asia Pacific Region;
3. To implement bilateral activities in Family Medicine teaching, research and practice.

## FAMILY MEDICINE DEVELOPMENTS IN THE INTERNATIONAL SCENE

The 19th Wonca World Conference was held from 19 – 23 May 2010 in Cancun, Mexico. One of the important events was the taking office of the new team for the triennium 2010 to 2013. Dr Alfred Loh remains at the helm as CEO of Wonca. Professor Richard Roberts is the World President. The President Elect is Professor Michael Kidd. The Regional President for Wonca Asia Pacific Region is Dr Donald Li. The new Wonca News Editor is Dr Karen Flagg. The other office bearers are listed in the Wonca News August 2010 issue page 21.

In his Presidential Address, Professor Richard Roberts paid tribute to the work done by the outgoing President, Professor Chris van Weel. Chris travelled extensively to meet the family doctors around the world during his term of Wonca President and is well-known to many. For his contributions to Wonca as President and his many contributions to Wonca over the years, he was awarded Honorary Direct Life Membership of Wonca. His landmark contributions were: being the WHO Liaison person for Wonca, ICPC classification of medical conditions, the WHO Mental Health Report, the Young Doctors Movement and Primary Care Research. He has visited Singapore on several occasions during his term of office and before that.

The next World Conference will be held in Prague, Czech Republic in June 2013. The dates are 26 – 29 June.

## ACTIVITIES IN ASIA PACIFIC REGION

There were two significant activities in the Asia Pacific Region in the year under review.

### (1) Second Asia Pacific Primary Care Research Conference

The Second Asia Pacific Primary Care Research Conference was held from 4 - 5 December 2010 in Singapore at the Gallery Hotel. It was well attended with 116 paid delegates from Singapore, Malaysia, Japan, Australia, Bangladesh, Thailand, India, Hong Kong and Myanmar.

The Second Asia Pacific Primary Care Research Conference achieved what it set out to do, namely, attracted attendance to a Primary Care Research Conference by making it a positive experience, just like the predecessor Conference in Melaka, Malaysia in 2009. There was research learning and teaching: the four tracks of research learning and teaching in this Conference were successful. The presentations of the output from the Research Championship bore the effects of the polishing by the coaches in each of the four presentations made. We look forward to the research questions being answered by the next Research Conference in 2011 which will be hosted by Malaysia.

Congratulations go to the winners of the Second Asia Pacific Primary Care Research Competitions. The presentations had much to tell about what has been found about Primary Care practice. The following are the winners:

#### Best Poster Award:

- 1st - Dr Tin Myo Han (Myanmar)
- 2nd - Mr Wee Liang En (Singapore)
- 3rd - Mr Ray Lai Tian Rui (Singapore)

Rajakumar Award – The Best Oral Presentation:

- 1st - A/Prof Tan Boon Yeow (Singapore)
- 2nd - A/Prof Nik Sherina Hanafi (Malaysia)
- 3rd - Dr Tan Kok Heng Adrian (Singapore)

Wong Heck Sing Award – The Best Oral Presentation from students and trainees:

Mr Wee Liang En (Singapore)

Research Championship 2010 – The Awards on Research Question and Study Design:

- 1st - Dr Moey Kirm Seng Peter & Dr Chang Ngai Kin Christopher (Singapore)
- 2nd - Dr Low Lian Leng & Dr Ang Yee Gary (Malaysia)
- 3rd - Dr Ngieng Kiong Kiong, Dr Kok Sim Hui & Dr Lenny Martini Bte Hamden (Malaysia)
- Tie for 3rd - Dr Peter Sathiyathan, Dr Abdul Hafiz Mohamad Ghani & Dr Kong Sie Zin (Malaysia)

**(2) Wonca Cebu 2011**

The 2011 Wonca Asia Pacific Regional Conference was held on 20 - 24 February 2011 in Cebu, Philippines. The theme was “Paradigms in Family Medicine: Bridging Old Traditions with New Concepts”. Wonca Cebu was unique in that it was a “four-in-one” activity: 18th Wonca Asia Pacific regional conference, 10th Wonca Rural Health world conference, the Golden Anniversary of the Philippine Academy of Family Physicians (PAFP) and the Silver Anniversary of the Foundation for Family Educators.

Of special note at this Conference was the paper submitted by Dr Tan Ngiap Chuan entitled “Treat to target approach in managing modifiable risk factors of patients with coronary heart disease in primary care setting in Singapore. What are the issues” won second prize in the Wonca Asia Pacific and Chinese Taipei Association Research Contest, Oral category. Congratulations go to Dr Tan Ngiap Chuan.

**BILATERAL ACTIVITIES IN FAMILY MEDICINE TEACHING, RESEARCH AND PRACTICE**

**(1) Reciprocal recognition of the FRACGP and the FCFP(S)**

The memorandum on the reciprocal recognition of the FRACGP and the FCFP(S) was signed on Wednesday, 6 October 2010 at the Cairns Convention Centre between The Royal Australian College of General Practitioners and the College of Family Physicians Singapore.

The signing ceremony celebrates the decision of reciprocal recognition of the fellowships of the two Colleges, and leads to the award of the FRACGP by Fellowship ad eundum gradum to those with FCFP(S) who wish to apply and are working in Australia.

The signing ceremony in Cairns was witnessed by the Council members of the RACGP and heads of delegations from sister Colleges attending the Annual Scientific Meeting and Academic session of the RACGP. As President I paid tribute to the contributions of the leaders in the RACGP who were instrumental in helping the Singapore College to be formed and also in the development of the academic programme in general/ family practice in Singapore. The College of Family Physicians Singapore was also represented by Associate Professor Tan Boon Yeow.

Professor Wesley Fabb, former CEO of Wonca and his wife Marian were also present. Professor Fabb gave a brief history of the long relationship between the Australian and Singapore Colleges.

The four signatories to the memorandum were: Dr Chris Mitchell, President of RACGP, Associate Professor Jan Radford, Censor-in-Chief of RACGP, Associate Professor Goh Lee Gan, President of College of Family Physicians Singapore and Associate Professor Tan Boon Yeow, Censor-in-Chief of College of Family Physicians Singapore.

Through this memorandum, holders of the FCFP(S) who wish to apply for the FRACGP and are working in Australia can do so. Holders of the FRACGP as we understand will be recognised to be eligible to be in the Family Physicians’ Register when this is set up by MOH later this year.

# REPORT OF THE UNDERGRADUATE TEACHING COMMITTEE

1 APRIL 2010 - 31 MARCH 2011

Chairman : A/Prof Lim Lean Huat  
Members : A/Prof Goh Lee Gan  
: Dr Ajith Damodaran

The new Undergraduate programme in the Yong Loo Lin School has made a quantum leap with its new MIII Programme. There were 5 postings in MIII namely, Family Medicine, Medicine, Paediatrics, Orthopaedics, and General Surgery. Each posting is 8 weeks in length. The students are divided into 5 batches (Batches A, B, C, D, E) and the batches went through the postings as a round robin. We will be completing Batch E of cohort 2010/2011 MIII, as of 7 April 2011.

The components in the 8 weeks Family Medicine for MIII are:

FP clinic – 2 weeks • Polyclinic – 2 weeks • Community Hospital & Rehab Unit in acute hospitals – 1 week • Palliative Care – 1 week • Community Medicine – 1 week • End of Posting Test

Family Medicine is one of the 5 disciplines in the MIII end of year examination. This examination consists of 12 MEQs, 120 MCQs, and a clinical examination of 1 clinical reasoning station, 4 clinical skills stations and 1 clinical skills investigations station. Note that family medicine is now a posting of 8 weeks which of the same length as the other rotating disciplines in MIII.

Thanks are due to the FM Tutors in the FP Clinics, in the Polyclinics, as well as trainers in the community hospital, palliative care, as well as rehab medicine.

# REPORT OF THE FINANCE COMMITTEE

1 APRIL 2010 - 31 MARCH 2011

Chairman : Dr Lim Fong Seng  
Members : A/Prof Lee Kheng Hock  
: Dr Pang Sze Kang Jonathan

We are pleased to report that the College is on a firm financial footing during the period 1 April 2010 to 31 March 2011.

Revenue from our courses and seminars contributed to 46.7% of our total revenue. Sponsorships contributed 23.2% to our total revenue while subscriptions contributed another 15.5%. These 3 items together account for 85.4% of our revenue.

College recorded an accumulated surplus of \$ 401,504 brought about by a gross revenue of \$1,403,379 and an expenditure of \$ 1,001,875.

**STATEMENT BY MANAGEMENT COMMITTEE**

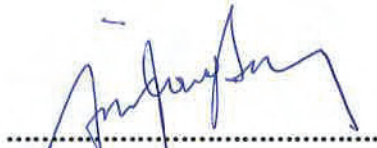

---

On behalf of the Management Committee of the of Family Physicians Singapore (the “College”), we, A/Prof Goh Lee Gan and Dr Lim Fong Seng, being the President and Honorary Treasurer respectively, do hereby state that in our opinion, the consolidated financial statements of the Group and financial statements of the College are properly drawn up in accordance with the provisions of the Societies Act and Singapore Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Group and the College as at 31 March 2011 and of the results, changes in accumulated and miscellaneous funds and revaluation reserve and cash flows of the Group and the College for the financial year ended on that date.

On behalf of Management Committee:

.....  
**A/Prof Goh Lee Gan**  
**PRESIDENT**

.....  
**Dr Lim Fong Seng**  
**HONORARY TREASURER**

Date: 20<sup>th</sup> May 2011

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF  
COLLEGE OF FAMILY PHYSICIANS SINGAPORE**

**REPORT ON THE FINANCIAL STATEMENTS**

We have audited the accompanying financial statements of College of Family Physicians Singapore (the "College") and its subsidiary (collectively the "Group"), which comprise the balance sheets of the Group and the College as at 31 March 2011, the statements of comprehensive income, statements of changes in accumulated fund, miscellaneous funds and revaluation reserve and statements of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

*The Management Committee's Responsibility for the Financial Statements*

The Management Committee is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Societies Act (the "Act") and Singapore Financial Reporting Standards, and for internal control as management committee determines is necessary to enable the preparation of financial statements that are free from material misstatement whether due to fraud or error.

*Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management committee, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the consolidated financial statements of the Group and the financial statements of the College are properly drawn up in accordance with the provisions of the Act and Singapore Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Group and the College as at 31 March 2011 and the results, changes in accumulated fund, miscellaneous funds and revaluation reserve and cash flows of the Group and College for the year ended on that date.

**REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

In our opinion, the accounting and other records required by the Act to be kept by College have been properly kept in accordance with those regulations.

**NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2011**

---

These notes form an integral part of the financial statements.

The financial statements were authorised for issue by the Management Committee on 20 May 2011.

**1) DOMICILE AND ACTIVITIES**

The College of Family Physicians Singapore (the “College”) is registered in the Republic of Singapore under the Societies Act Cap 151 and has its registered office and principal place of business at:

16 College Road  
# 01-02 College of Medicine Building  
Singapore 169854

The principal activities of the College are:

- i) Advance the art and science of medicine
- ii) Discuss medical and scientific problems
- iii) Assist in providing post graduate study courses
- iv) Arrange for and/or provide instructions for undergraduate or post graduate students
- v) Promote and maintain high standards of family practice of medicine.

**2) Basis of preparation**

**(a) Statement of compliance**

The financial statements have been prepared in accordance with the Singapore Financial Reporting Standards (FRS).

**(b) Basis of measurement**

The financial statements have been prepared on the historical cost basis except as disclosed in the significant accounting policies in Note 3.

**(c) Functional and presentation currency**

These financial statements are presented in Singapore dollars which is the College’s functional currency. All financial information presented in Singapore dollars has been rounded to the nearest dollar, unless otherwise stated.

**(d) Use of estimates and judgements**

The preparation of the financial statements in conformity with FRSs requires Management Committee to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

**NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2011**

---

**2) Basis of preparation (continued)**

**(d) Use of estimates and judgements (continued)**

In the process of applying the entity's accounting policies, which are described in Note 2(d), Management Committee had made the following judgements that have the most significant effect on the amounts recognised in the financial statements:

Allowance for bad and doubtful debts

Allowances for bad and doubtful debts are based on an assessment of the recoverability of receivables. Allowances are applied to receivables where events or changes in circumstances indicate that the balances may not be collectible. The identification of bad and doubtful debts requires the use of judgement and estimates. Where the expected outcome is different from the original estimate, such difference will impact carrying value of receivables and doubtful debt expenses in the period in which such estimate has been changed (see Note 7).

**(e) Change in accounting policies**

The accounting policies adopted are consistent with those of the previous financial year except for the adoption of new or revised accounting standards and interpretations which are mandatory for the annual financial year beginning on or after 1 April 2010.

The adoption does not have a significant impact on the accounting policies and measurement bases adopted by the College.

**3) Significant accounting policies**

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, and have been applied consistently by College.

**(a) Financial instruments**

**Non-derivative financial assets**

The College initially recognises receivables and deposits on the date that they are originated. All other financial assets are recognised initially on the trade date at which the College becomes a party to the contractual provisions of the instrument.

The College derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the College is recognised as a separate asset or liability.

**3) Significant accounting policies (continued)**

**(a) Financial instruments (continued)**

**Non-derivative financial assets (continued)**

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the College has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

The College has the following non-derivative financial assets: loans and receivables including cash and cash equivalents.

*Loans and receivables*

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest method, less any impairment losses.

Loans and receivables comprise receivables and amount due from College of Family Physicians Singapore Holdings Pte Ltd.

Cash and cash equivalents comprise cash balances and bank deposits.

**Non-derivative financial liabilities**

Financial liabilities are recognised initially on the trade date at which the College becomes a party to the contractual provisions of the instrument.

The College derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the College has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously

The College has the following non-derivative financial liabilities: payables.

Such financial liabilities are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, these financial liabilities are measured at amortised cost using the effective interest method.

**3) Significant accounting policies (continued)**

**(b) Consolidation**

*Subsidiaries*

Subsidiaries are entities controlled by the Group. Control exists when the Group has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. In assessing control, potential voting rights presently exercisable are taken in to account. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences where necessary to align them with the policies adopted by the Group.

*Transactions eliminated on consolidation*

Intra-group balances and transactions, and any unrealised income or expenses arising from intra-group transactions, are eliminated in preparing the consolidated financial statements.

*Accounting for subsidiaries and associates by the College*

Investments in subsidiaries and associates are started in the College's balance sheet at cost less accumulated impairment losses.

**(c) Plant and equipment**

*Recognition and measurement*

Items of plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses.

Cost includes expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials and direct labour, any other costs directly attributable to bringing the assets to a working condition for their intended use, the costs of dismantling and removing the items and restoring the site on which they are located, and capitalised borrowing costs. Cost also may include transfers from other comprehensive income of any gain or loss on qualifying cash flow hedges of foreign currency purchases of plant and equipment. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

When parts of an item of plant and equipment have different useful lives, they are accounted for as separate items (major components) of plant and equipment.

Gains and losses on disposal of an item of plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of plant and equipment, and are recognised net within other income in statement of comprehensive income. When revalued assets are sold, the amounts included in the revaluation reserve are transferred to retained earnings.

**NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2011**

---

**3) Significant accounting policies (continued)**

**(c) Plant and equipment (continued)**

*Subsequent costs*

The cost of replacing a part of an item of plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the College and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of plant and equipment are recognised in statement of comprehensive income as incurred.

*Depreciation*

Depreciation is calculated over the depreciable amount, which is the cost of an asset, or other amount substituted for cost, less its residual value.

Depreciation is recognised in statement of comprehensive income on a straight-line basis over the estimated useful lives of each part of an item of plant and equipment, since this most closely reflects the expected pattern of consumption of the future economic benefits embodied in the asset.

The estimated useful lives for the current and comparative periods are as follows:

- |                                      |               |
|--------------------------------------|---------------|
| • Furniture, fittings and renovation | 3 to 5 years  |
| • Office equipment                   | 1 to 3 years  |
| • Other assets                       | 3 to 10 years |

Depreciation methods, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

**(d) Investment property**

Investment property is property held either to earn rental income or for capital appreciation or both. Investment property is measured initially at cost, including transaction costs. The carrying amount includes the cost of replacing part of an existing investment property at the time that cost is incurred if the recognition criteria are met and excluded the costs of day-to day servicing of an investment property. Subsequent to initial recognition, investment property is stated at cost and is subject to depreciation.

Investment property is derecognised when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gains or losses on the retirement or disposal of an investment property are recognised in the profit and loss account in the year of retirement or disposal.

**3) Significant accounting policies (continued)**

**(e) Impairment**

*Financial assets (including receivables)*

A financial asset is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

Objective evidence that financial assets are impaired can include default or delinquency by a debtor, restructuring of an amount due to the College on terms that the College would not consider otherwise or an indications that a debtor will enter bankruptcy.

The College considers evidence of impairment for receivables both a specific asset and collective level. All individually significant receivables are assessed for specific impairment. All individually significant receivables found not to be specifically impaired are then collectively assessed for any impairment that has been incurred but not yet identified. Receivables that are not individually significant are collectively assessed for impairment by grouping together receivables with similar risk characteristics.

In assessing collective impairment, the College uses historical trends of the probability of default, timing of recoveries and the amount of loss incurred, adjusted for Management Committee's judgement as to whether current economic and credit conditions are such that the actual losses are likely to be greater or less than suggested by historical trends.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. Losses are recognised in statement of comprehensive income and reflected in an allowance account against receivables. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through statement of comprehensive income.

**(f) Employee benefits**

*Defined contribution plans*

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions to Central Provident Fund (CPF) and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an employee benefit expense in statement of comprehensive income in the periods during which services are rendered by employees.

**3) Significant accounting policies (continued)**

**(g) Revenue**

Revenue comprises the fair value of the consideration received or receivable for rendering of services in the ordinary course of the College's activities.

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the College and the revenue can be reliably measured.

Members' annual subscription are recognised when due.

Course fees, seminar fees (from continuing professional education and training) and entrance fees are recognised when the services are rendered.

Advertising income is recognised when advertisements are placed.

Interest income is recognised as the interest accrues based on effective interest rate method unless collectibility is in doubt.

Management Committee fee charged by the College is recognised when due.

**(h) Grants and sponsorships**

Grants and sponsorships are recognised at their fair value where there is reasonable assurance that the grant or sponsorship will be received and all attaching condition will be complied with.

When the grant relates to an expense item, it is recognised in the Statement of Comprehensive Income over the periods necessary to match them on a systematic basis, to the costs, which it is intended to compensate. Where the grant relates to an asset, the fair value is credited to a deferred income account and is released to the Statement of Comprehensive Income over the expected useful life of the relevant asset by equal annual installments.

**(i) Finance income**

Finance income comprises interest income on funds invested. Interest income is recognised as it accrues in statement of comprehensive income, using the effective interest method.

**(j) Government grants**

Jobs Credit Scheme

Cash grants received from the government in relation to the Jobs Credit Scheme are recognised as income upon receipt.

**NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2011**

**3) Significant accounting policies (continued)**

**(k) Income tax expenses**

The College has been registered as a Society under the Societies Act. With effect from the Year of Assessment 2008, the requirement for Society to spend at least 80% of their annual receipts on charitable objects in Singapore within 2 years in order to enjoy income tax exemption has been removed. As a registered and exempt charity it will enjoy automatic income tax exemption.

**(l) New standards and interpretations not yet adopted**

New standards, amendments to standards and interpretations that are not yet effective for the period beginning 1 April 2010 have not been applied in preparing these financial statements. None of these will have a significant effect on the financial statements of the College upon initial application.

**COLLEGE OF FAMILY PHYSICIANS SINGAPORE**  
**UEN NO.: S71SS0039J**

**NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2011**

**21) FINANCIAL INSTRUMENTS, FINANCIAL RISK AND CAPITAL RISK MANAGEMENT COMMITTEE (CONTINUED)**

**b) Financial risk Management Committee objectives and policies**

The Management Committee reviews and agrees policies for managing the financial risk of the College. Each of these risks are summarised below:

*Credit risk*

Credit risk is the risk that counterparties may be unable to meet the terms of their agreements. Except for receivables, prepayments, cash and cash equivalents and amount due from College of Family Physicians Singapore Holdings Pte Ltd, the College has no major concentration of credit risk.

The College places its cash and fixed deposits with creditworthy institutions.

The carrying amount of financial assets recorded in the financial statements, represents the College's maximum exposure to credit risk.

*Liquidity risk*

In the Management Committee of liquidity risk, the College monitors and maintains a level of cash and bank balances deemed adequate by the Management Committee to finance the College's operations and mitigate the effects of fluctuations in cash flows.

The table below analyses the maturity profile of the financial liabilities of the College at the statement financial position date on contractual undiscounted obligations:

	<b>Group</b>	<b>College</b>
	<b>One year or less</b>	<b>One year or less</b>
	\$	\$
<b><u>As at 31.03.11</u></b>		
Payables	59,379	18,016
	<u>59,379</u>	<u>18,016</u>
<b><u>As at 30.03.10</u></b>		
Payables	53,646	26,283
	<u>53,646</u>	<u>26,283</u>

*Interest rate risk*

The College's exposure to market risk for charges in interest rates relates primarily to the College's fixed deposits. The College's policy is to place surplus funds in fixed deposits at favourable interest rates with financial institutions in Singapore. The College's exposure to changes in interest rate is minimal.

**21) FINANCIAL INSTRUMENTS, FINANCIAL RISK AND CAPITAL RISK MANAGEMENT COMMITTEE (CONTINUED)**

**b) Financial risk Management Committee objectives and policies (continued)**

*Foreign exchange risk*

The College's operational activities are carried out in Singapore dollar, which is the functional currency. The College's maximum exposure to risk arising from movements in currency exchange rates relates only to cash and cash equivalents denominated in US dollars which has minimal impact on the surplus of the College.

**c) Fair values of financial assets and financial liabilities**

The carrying amount of financial assets and financial liabilities recorded in the financial statements represents their respective fair values due to short-term nature of these accounts.

**d) Management Committee of College's Funds**

The College's objective when managing funds are:

(a) to safeguard the College's ability to continue as a going concern; and

(b) to support the College's stability and growth

The College actively and regularly reviews and manages its fund management policy to ensure optimal structure taking into consideration the future fund requirements of the College.
